

ELECTRICAL SAFETY RECALL

Renegade Industrial Pedestal and Wall Mounted Fans Models RI280PFAN RI280WFAN

Sold Online, at TradeTools, Adelaide Tools & ToolMart
between 04/10/19 to 14/02/20

DEFECT

The fans do not meet the relevant safety standard. The fan guard's openings may be too large.

HAZARD

If the fan guard's openings are too large, a consumer may insert their fingers between the gap while the fan is operating, increasing the risk of injury.

ACTION REQUIRED

Consumers should stop using the product and return it to the place of purchase to have the fan guard replaced, free of charge.
