

# Product Safety Recall

## Emoticon Puffer Ball

### Defect:

The product has an elastic cord capable of extending at least 600mm in length. These types of products are banned under Consumer Protection Notice 20 of 2011 - Permanent ban on yo-yo water balls and similar products.

### Hazard:

The cord can stretch and may wind around a child's neck, especially if swung around the head, and pose a strangulation risk. The highly elastic and 'sticky' nature of the cord can constrict breathing if wound tightly.

### What to Do:

Consumers should cease using the product immediately and return the product to their nearest Best & Less store for a full refund.
